FCC - MAIL ROOM

To Whom It May Concern:

In response to your notice of inquiry and efforts to collect and analyze data for the Cable Television Consumer Protection and Competition Act of 1992, the University of Pittsburgh Department of Athletics is pleased to submit the following available information concerning its program:

- 1) Attached (A & B) are the available lists of the "live" telecasts of Pitt football and basketball games beginning with the year 1980. Where possible we have distinguished between home and away contests. All games listed were "live" telecasts with the four exceptions noted for

probability, not been televised at all. Since 1982 our basketball team has averaged 4-5 "live" appearances a year on ESPN through a contract with the Big East Conference. Additionally, two years ago we negotiated a contract with a local regional sports cable entity (KBL) that calls for the "live" telecasting of 18-20 Pitt men's basketball games per year, and four other Varsity Sports events of our choosing. These have included women's basketball, women's volleyball, men's wrestling, men's soccer, and men's and women's swimming. Not only has our program benefited from the exposure, but obviously the opportunities for telecasting on cable outlets has greatly increased our revenue capabilities. It is safe to say without the cable income of recent years, we would have been unable to balance our budgets in any realistic manner.

6) There obviously have been some "preclusive" contracts signed by some conferences that restrict "live" telecasting of some local college events like football or basketball games. These are, in our view, understandable and necessary and are in the long-term best interests of

RE: Television appearances

As you know, Tom McElroy is not in the office today. We've done our best to handle your request. You'll have to excuse the primitive style, but I understand your deadline to submit this information is today.

However, I should make some important points.

1. We cannot find any listing of non-league television appearances from the 1982-83, '83-84 and '84-85 seasons.

2. We cannot find any records of television appearances for non-league road games (e.g. a Pitt at Notre Dame game being televised only in South Bend.)

I hope this information helps you. If you have any questions, please call me.

Conference on TV

The BIG EAST Conference will begin a series of three year contracts with CBS, NBC, the nation's leading sports syndicator, and both national cable networks with the 1983-84 season.

Following the normal expiration of numerous regional and local contracts signed prior to the formation of The BIG EAST in 1979, the Conference, with control of all rights, concluded year-long negotiations culminating in outstanding televi-
